

## Fiberglass Pressure vessels

# FIBERBLUE FBPV-25-300

[Download technical drawing PDF](#) 

### TECHNICAL FEATURES

Type	FIBERBLUE
Material	FRP (Vetroresina)
Type of Connection	
Connections configuration	End Port (E)
N° Connections	4

### DESIGN DATA

Max working pressure	300 PSI
Code design	PED (P)
Max working temperature	50°C

### MEMBRANES

N° Membranes	1
Diameter Membranes	2,5"
Length Membranes	14",21",40"

### APPLICATIONS

Water
Sea water

Code	Description	N° Membranes	Configuration	N° Connections	Color	Price
